

# INTEGRATION OF TECHNOLOGY EVIDENCE INSTRUMENT

To be used with Classroom Walk-Through (CWT)

***Watch and record the entire classroom, not just one small group.***

	Tier 1	Tier 2	Tier 3
<b><u>Teacher Role (Circle all that apply):</u></b>			
• Directing (telling, lecturing) whole group	Yes		
• Interacting with whole group		Yes	
• Modeling whole group		Yes	
• Facilitating/Coaching			Yes
<b><u>Teacher Using Technology (Circle all that apply):</u></b>			
• To present information		Yes	
• To model a skill to large group (e.g., NOT coaching)		Yes	
• For grading, attendance, or material preparation	Yes		
• To retrieve information [for teacher use]	Yes		
<b><u>Students Using Technology (Circle all that apply):</u></b>			
• To complete an individual class assignment		Yes	
• To take a test or complete a tutorial		Yes	
• To share information with others			Yes
<b><u>Students Using Technological Learning Tools (Circle all that apply):</u></b>			
• Simulation software or online tools			Yes
• Drill and practice software (e.g., keyboarding tutorials, games that teach specific facts)		Yes	
• Problem solving software (e.g., Thinking Things, Tessellations)			Yes
• Textbook-linked software for basic review		Yes	
• Multimedia programs or publication software to create electronic products to share			Yes
• Graphic organizers (e.g., Inspiration) for planning/organizing a paper		Yes	
• CD ROM or online databases		Yes	
• Learning/Assessment software (e.g., Accelerated Reader)		Yes	
<b>Subtotal – Page 1</b> (add total of “Yes” answers circled in each column)	_____	_____	_____

	Tier 1	Tier 2	Tier 3
<b><u>Students Using Interactive Communication Tools (Circle all that apply):</u></b>			
• E-mail, online messaging, discussion boards, listserv, or weblogs			Yes
• Two-way video			Yes
<b><u>Students Using Technology Research Techniques (Circle all that apply):</u></b>			
• To locate information independently (e.g., use self selected search strategies, keyword search)			Yes
• To locate information under teacher direction (e.g., using teacher bookmarks, web page with constructed links, teacher-specified keywords)		Yes	
• To select information by cutting and pasting, taking notes, printing, or downloading		Yes	
Subtotal – Page 2 ( <i>add total of “Yes” answers circled in each column</i> )	_____	_____	_____
Subtotal – from Page 1	_____	_____	_____
<b>TOTALS</b>	_____	_____	_____

**Scoring Directions:**

*Step 1: If observer has marked 6 or more “Yes” in Tier 3, then the observed teacher is in “Tier 3” of Technology Integration, and scoring is completed. If not, proceed to Step 2.*

*Step 2: If observer has marked 7 or more “Yes” in Tier 2, then the observed teacher is in “Tier 2” of Technology Integration and scoring is completed. If not, observed teacher is in “Tier 1” of Technology Integration.*
